

SUPER SATURDAY TRAINING DAY

MARCH 10, 2012

9AM TO 4 PM.

To make an informed decision on what the sessions have to offer. Some are self explanatory so to clear up confusion here are some examples:

Paperwork 101

- Are you putting off taking your girls to camp or having a unit sleepover, because you are worried about the paperwork involved?
- Do you ever wonder if you're filling in forms properly, and wish you had more feedback?
- Are you confused about what "document retention" is?

These are just a few examples of what we will cover in this round-table style training for people who have already taken Safe Guide but want more detailed information about how to deal with paper and fill out forms correctly, especially Safe Guide Activity forms for Yellow activities such as sleepovers and camps.

A Trainer and Safe Guide Assessor will be on hand to answer your questions and help you gain confidence in navigating through the paperwork maze.

Note: (Pre-requisite of Safe Guide Training)

Bias Awareness

- We will be talking about Inclusivity? What is that do you ask, want to know?
- But aren't we already Inclusive?
- What is Bias anyway?

These are some of the questions that might come up in this session.

We hope this helps with some of your answers to your questions. Watch for more examples in future Whisper editions.
